

## Granite State Clean Cities Coalition

### Stakeholder Meeting

January 23, 2009

NH Auto Dealers Association

507 South St

Bow, NH 03304

[Get directions](#)

## Agenda

**8:30a.m. – 9:00a.m. Network and Registration**

**9:00 Introductions & Update on the Biodiesel Study Commission**

**9:15** Dr. Melinda Treadwell will review research on the impact of diesel emissions and present an update on the Monadnock Biodiesel Collaborative, an innovative private/public partnership to make biodiesel from waste grease involving Keene State College, Batchelder Biodiesel Refineries, and the City of Keene. She will discuss the Monadnock Biodiesel Collaborative's unique research/manufacturing/ASTM fuel quality testing focus and touch on the policy issues facing biodiesel use and production at a local and national scale.

**10:30 Panel Discussion with staff from Representative Paul Hodes' office and Representative Carol Shea-Porter's office on the direction of Energy Policy.**

**Many thanks to the NH ADA and Dan Bennett for providing us with this excellent meeting space.**

Please RSVP Barbara Bernstein at 603-271-6751 or

[barbara.bernstein@des.nh.gov](mailto:barbara.bernstein@des.nh.gov).
